

ECOTechGREEN 2018 INTERNATIONAL GREEN TECHNOLOGICAL FORUM & GREEN INFRASTRUCTURE

ECOTECHGREEN 2018 AWARD RESULTS

The winners - out of over 80 nominations - of the first edition of the "EcoTechGreen" International Award, an important recognition that the National Council of Architects, Planners, Landscape Architects and Conservators and PAYSAGE, with the International Magazine TOPSCAPE, have promoted in collaboration with Padova Fiere, have been announced, on the occasion of the tenth edition of the ECOTechGREEN International Forum, an international meeting that develops and investigates the theme of Technological Green in the Landscape Architecture sector.
